Testimonials

“OmniMD has made access to complete and accurate patient charts simple, convenient, and fast. Documentation is easy, and the efficiency of the entire office has increased.”

[Dr. Sudhir Parikh, Center for Asthma and Allergy](#)

“The speed and ease-of-use of OmniEHR™ has allowed us to see patients more quickly and efficiently also the staff of OmniMD is knowledgeable, capable, and always available to help. Having them on our team gives us a distinct advantage over our competition and helps us grow.”

[Susan Conforti, Practice Manager, South Nassau Walk-in Medical Care, P.C.](#)

“During the last eight years, we have developed a high level of satisfaction and confidence in OmniMD product. Our group consists of five locations with 40 doctors from various specialties. The OmniMD team is very responsive and supportive of our customization needs and has repeatedly come up with prompt and effective solutions.”

[Rajeev Sindhwani, MD. President and Medical Director, DOCS, NY](#)
